How will I be assessed?

Formative assessment will take place throughout each lesson such as question and answer discussions, mini whiteboard work and retrieval activities. Summative assessment will take place at the end of John 10:10, Pol-Ed, Finance / First Aid topics.

Next Steps

At the end of Year 10, students will progress on to the Year 10 PSHE curriculum within the dedicated one hour per week lesson time.

Year 11 topics will follow on from those topics taught in Year 10. However, Pol-Ed lessons will also be taught during PD time in order to allow for a deeper focus on preparing for life after Fisher More through tertiary guest speakers, and CV writing sessions

Opportunities for Independent Learning

A variety of links related to each lesson are displayed during each lesson. Students are given access to these links through their synergy accounts. Personal development topics can be accessed through 'The Day'

Personal Development and CEIAG

PSHE forms part of the Personal Development curriculum.

Each week throughout morning Personal Development (PD) time students will also be given the opportunity to discuss areas of PSHE through 'The Day' (on-line news articles). Each Friday during PD students watch and discuss the 2 'job of the week' videos.

A range of guest speakers are invited to speak to classes and whole year groups throughout the year on topics related to Personal Development, PSHE and CEIAG. Guest speakers use both assembly time and PSHE Monday lessons to speak to both classes and whole year groups. Each Year 10 PSHE class is also visited by either Nelson and Colne College or Burnley College to receive a talk about preparing themselves for life after Fisher More. All Year 10 students receive a dedicated one to one careers session with our Independent Careers Advisor – Claire Baker – in order to help them consider their options post 16.

All Year 10 students visit both Burnley College and Nelson and Colne College during the summer term to help them consider their options post 16. All Year 10 students participate in Work Experience alongside attending the Pendle Careers Fair.

Enrichment Opportunities (Cultural Capital)

A variety of enrichment activities linked to personal development can be accessed each week through both the sporting and curriculum extra curricular programmes – students are encouraged to engage with as many enrichment activities as possible and should consult with the weekly programmes displayed by their form tutors.
